

# AFFORDABLE CARE ACT TOWN HALL MEETING & INSURANCE ENROLLMENT

## MONDAY, DECEMBER 14, 2015

Join the U.S. Department of Health and Human Services, the National Indian Health Board, the National Council on Urban Indian Health and the Urban Inter-Tribal Center of Texas for an education and enrollment event on the Affordable Care Act.

## WHAT AMERICAN INDIANS/ALASKA NATIVES NEED TO KNOW

November 1, 2015 marked the beginning of the third Open Enrollment Period for the ACA Health Insurance Marketplace. Even though members of federally recognized Tribes have a special monthly enrollment status, it is important for American Indian and Alaska Native individuals and families to learn about their insurance options. Whether it's purchasing insurance through the Marketplace or qualifying for Medicaid, knowing that you have quality coverage provides peace of mind. Attend the session to learn more about the ACA, and discover your coverage options with an enrollment specialist.
