

**U.S. Environmental Protection Agency Region 7
Public Availability Sessions
Newton County Mine Tailings Superfund Site
Newton County, Missouri**

The U.S. Environmental Protection Agency has scheduled two Public Availability Sessions to share information on the Newton County Mine Tailings Superfund site. EPA representatives will be available to discuss cleanup work planned for the Site and be available to answer questions.

Two separate sessions have been scheduled in different locations. During each session, EPA will review the same material. It is only necessary to attend one of the two sessions. The public availability sessions will be held:

**November 14, 2016
5:30 – 7:30 p.m.
Granby Annex Building
302 North Main Street
Granby, Missouri 64844**

AND

**November 15, 2016
5:30 – 7:30 p.m.
Lampo Community Center
500 E Spring Street
Neosho, Missouri 64850**

EPA Region 7 is committed to providing reasonable accommodations to individuals with disabilities. For reasonable accommodation, please contact Jonathan Cooper at 800-223-0425 or cooper.jonathan@epa.gov.

More information about the site can be found in the Administrative Record, which is available online at: <https://cumulis.epa.gov/supercpad/SiteProfiles/index.cfm?fuseaction=second.ars&id=0701651>.

Questions or requests for information can be submitted to: Brendan Corazzin, U.S. EPA Region 7, 11201 Renner Blvd., Lenexa, KS 66219, email: Corazzin.brendan@epa.gov, or phone: 1-800-223-0425.
