Dear Wyandotte Citizen:

Wyandotte Nation desires to increase economic development in our community. In so doing, we must collect information about our people and their current economic condition. We are interested in providing services to you, but first must know about the desires, ambitions, and plans of Wyandotte Nation citizens within our service area (50-mile radius of tribal headquarters in Wyandotte, OK). Please take a few minutes to share your opinions about what should be done to stimulate economic growth for Wyandotte Nation as well as new businesses and/or job opportunities you believe are needed in our community.

The following application is for any Wyandotte Nation citizen, ages 15 and older, residing within a 50-mile radius of Wyandotte, OK. Any questions you have about the survey should be directed to the Planning Department by phone at (918) 678-6309 or via email at [mlowery@wyandotte-nation.org](mailto:mlowery@wyandotte-nation.org).

Please complete and return the application on or before **October 31, 2020**.

Thank you in advance for your participation.

I am personally in a good way economically because I am a citizen of Wyandotte Nation and living in Wyandotte's Service Area.					
I would be better off financially if I were not a citizen of Wyandotte Nation.					
I could do a lot better for myself and/or my family if I move away from the Wyandotte Service Area.					
I am considering moving away from the area to make a better financial life for myself and/or my family.
